

CURRICULUM VITAE

Updated on 25 August 2023

Forouzan Rezapur Shahkolai

RN, MSc., PhD, Professor of Health Promotion

with specialty in Safety Promotion and Injury Prevention

Personal information

First name	Forouzan
Last name	Rezapur Shahkolai
Date of birth	26 May 1968
Nationality	Iranian
National code	0053573129
Address	Department of Public Health, School of Public Health & Research Center for Health Sciences, Hamadan University of Medical Sciences, Shahid Fahmideh Ave. Hamadan, Iran.
Postal code	6517838695
Tel	+98 811 8380090
Fax	+98 811 8380509
E-mails	Forouzan.rezapour@gmail.com
Website	https://scholar.google.com/citations?hl=en&pli=1&user=PyqZc3sAAAAJ#

Academic positions

- Professor (full) of Health Promotion with specialty in Safety Promotion and Injury Prevention, Department of Public Health, School of Public Health, Hamadan University of Medical Sciences, Hamada, Iran (September 2021- present)

- Faculty member, Department of Public Health, School of Public Health, Hamadan University of Medical Sciences, Hamada, Iran (September 2009- present)
- Head of "Education, Management and Health promotion" research group of Research Center for Health Sciences, Hamadan University of Medical Sciences, Hamadan, Iran (2017- present)
- Manager of Cultural and student affairs of School of Public Health, Hamadan University of Medical Sciences, Hamadan, Iran (2018- September 2022)
- A member of the Social Determinants of Health Research Center, Hamadan University of Medical Sciences, Hamadan, Iran (2013- present)
- A member of the Research Center for Health Sciences, Hamadan University of Medical Sciences, Hamadan, Iran (2009- present)
- Associate Editor of the Journal of Research in Health Sciences (JRHS) (2011- present)
- A member of Editorial Team of the Journal of Education and Community Health (JECH) (2013-present)

Degrees

- 2009 PhD in Medical Sciences: Health Promotion with specialty in Safety Promotion and Injury Prevention- Karolinska Institutet, Stockholm, Sweden.
- 1998 MSc. in Health Education- Tehran University of Medical Sciences, Tehran, Iran.
- 1992 BSc. in Nursing- Guilan University of Medical Sciences, Lahijan, Iran.

PhD thesis:

Forouzan Rezapur Shahkolai. Injury prevention and safety promotion in rural communities- Contribution of community health workers and an injury data registry system in Iran. Karolinska Institutet, Stockholm, Sweden, **2009.**

Awards and honors:

- Top researcher in Hamadan University of Medical Sciences in 2020.
- Top lecturer in School of Public Health in Hamadan University of Medical Sciences in 2018.
- Top lecturer in School of Public Health in Hamadan University of Medical Sciences in 2014.
- Scholarship from Ministry of Health and Medical Education of Iran for doing PhD (founded by World Bank) in 2004.

Teaching experiences

Different courses in the undergraduate, graduate and postgraduate levels (Bachelor, Master and PhD courses, as follows:

- Introduction to Safety Promotion
- Global Health
- Principles of Health Education and Health Promotion
- Theories and Models of Health Education and Health Promotion
- Research Methods in Health Education and Health Promotion
- Qualitative Research Methods in Health Education and Health Promotion
- Evaluation of interventions in Health Education and Health Promotion
- Group Dynamics
- School Health
- English in Health Education and Health Promotion
- Risky Behavior
- Health Education and Health Promotion among Adolescents and Youth
- Community-based Health Promotion
- Safety and Traffic
- Health in Disaster

Research interests

- Health Promotion
- Health Education
- Safety promotion
- Injury Prevention
- Road Traffic Injury Prevention
- Health and safety among Children and adolescents

Thesis Supervision:

- **Main Supervisor of 6 PhD Theses**
- **Main Supervisor of 15 Master Theses**
